We must emphasise that children become the responsibility of the Centre **only** when our staff have collected your child from the approved collection point. Until this time your child is the responsibility of the school or parent/carer.

The same principle applies for children who are instructed by parents to walk home from the Centre. The staff cannot accept responsibility for your child once he/she has left the premises. ***If you wish your child to walk home from the Centre unaccompanied, you must complete a separate consent form***
